Additional, Junior Anglers are welcome to use spinning gear as an option to facilitate the "drop back" procedure on billfish

BOAT DRAW: The Tournament Committee will assign teams to boats with the aim to place Small Fry and Junior Anglers of the same age groups on the same boats.

FISHING STYLE: Each team will have one side of the boat. Although it is suggested to alternate anglers after each hook up, either angler may "go first" to either rod. Teams may alternate or change sides as they choose, but in lack of any accord, on the hour is suggested.

ELIGIBLE SPECIES: Sailfish, Marlin, Dorado, Tuna, Roosterfish, Jacks and Bonito. All billfish must be released
